Lessons of Happiness and Peace

अज्ञानता महिमानं तवेदं मया प्रमादात् प्रणयेन वापि ॥ ११ - ४१ ॥

21st century will be known for maximum innovation, developments, comforts brought to the mankind. The Human race has concord many hurdles and challenges which were never thought of. Life is becoming easier and pleasurable. No doubt it has also bred the problems that were never seen before. Every day new challenges, threats and clashes increase. The War is on! be it Conflicts of Man v/s Man, Man v/s State and Man v/s Nature. In this scenario how do we get happiness and peace?

Many centuries before a Great War was fought on the battlefield of Kurukshetra, India. A divine dialogue between a Maharathi and Saarthi is available in 700 verses and 18 chapters, known as the Bhagwad Gita. The same lessons took Arjun on a journey from his escapism to actions, question to solutions, frustration to peace. He initiates with "सीदन्ति मम गात्राणि- Sidanti mam gatrani" and "न कांक्षे विजयं.....Nakaankshe vijayam to finally करीष्ये वचनं तव.. - "Karishye vachanam tava" and reaches the stage of "नष्टो मोह- Nasto moha" through his Smart Navigator Krishna. The course is designed to understand and appreciate its Mahima... महिमा

Is this conversation itself worth learning? Is it useful to me today? Will it be able to answer my challenges of 21st century? A basic introductory course is designed in 18 days programme. Experts of various disciplines will explain each chapter (adhyaay) a day and address challenges of the present century.

The curious minds "Jignyaasu" are invited to the conversation with 18 prominent luminaries of various fields as Vice Chancellor, Former President - Sahitya Academy, IAS & former Commissioner for higher education, Eminent Poet, Ex.
