BMA Celebrates Management Week & Annual Day

SnapShot

Glimpses of the programs for the year 2013-14

Managing Committee for the year 2013-14

From the Desk of **President**

Respected Invitees, Past Presidents, Seniors, Steering Committee Members, Colleague Office Bearers, Managing Committee Members and

Dear BMA'ites...

It is with great sense of gratitude, humility, feeling of obligation and satisfaction that I present before you a Report Card of the year 13-14.

It was quite some time before the Euphoria and Excitement of having been found worthy of leading BMA subsided and the role, responsibility and related challenges of leading BMA became clearer.

The challenges were many, the biggest being that of sustaining the ever rising standards set by my illustrious predecessors. The feeling was synonymous to a player who is playing his debut match for a team which has in previously represented by, the likes of Tendulkar's, Federers' and Ronaldo's.

Aptly, therefore I decided to dedicate the year on the theme "Continue and Consolidate". I request your attention to the June'13 Issue of Samanvaya where I had broadly outlined the various tasks and goals that the association had set for itself.

Following is a glimpse of the efforts to add value to the activities of BMA during the year.

1. Actual event days under various committees for the year - **151**

From the inner walls of my heart I wish to thank the Leaders of BMA, my colleague Office bearers, the Managing Committee Members, the Steering Committee, the various speakers and sponsors at events of BMA for their unstinted faith, support and cooperation to the activities of BMA.

It was a sad moment when BMA lost two very senior members, Past President A.P Singh and Maj. Somaddar. My heartfelt feelings on behalf of entire BMA to their families. Ms. Shivangi Singh also lost her younger brother to a tragic accident. Our prayers are with the family.

A very big thank you to the members of BMA and the entire Secretariat led by CEO, Amita for bringing glory to the association and for stitching one more step on the ever increasing ladder of BMA.

A big big "Thank you" also to my employers GIPCL (particularly MD-GIPCL, Mr. L. Chuaungo, IAS) and my colleagues at GIPCL. A very special thank you to my parents, partner and children for constant support and encouragement.

The new team for the year 14-15 is in place and is being led by a very articulate and amicable Arjun Singh Mehta.

I wish the association a great future in times to come and to retweet (Oops...Requote) the most popular caption of the decade with a small amendment ‘अधिक अच्छे दिन आने वाले है’

Yours in Management,

Sandeep Purohit
