The Bulletin of BMA

## Message from Outgoing President

**Ms. Minaxi Vaishnav**  
2020-21

It gives me an immense pleasure and pride to connect with you all one last time in the capacity of the president of this prestigious association for the year 2020-21. It was the opportunity to redesign our agenda which suits to the virtual and digital ways of working.

Proudly, this year we emerged as the trend setter in bringing out all the programs virtually right from April 2020 itself, from being fully featured, quality oriented which included AGM 2020 and Annual Day functions, E-MDP's, E-FET's, Virtual Mode of In-Company programs with set of BMA Flagship events like AMC 2020-21 and all Other Conferences including our very own dream Project i.e. WOMEN CONFERENCE.. to being international with a distinct virtual experience to participants, Which further raised the stature of the association across the boundaries. We are fortunate to have signed the prestigious MOU with Kutch University under the table leadership of Prof Dr Jayrajsinh Jadeja , Vice Chancellor as a Centre for Distance Learning to offer various certification programs for students , as well as working pros., which has, I am sure a very dynamic future and have conducted collaborative program named IMYI 2021. BMA have also been aligned with AIMA platform for collaborative programs and support. I have been fortunate to replicate, Jan 1994 Women World Conference "Women and Wealth generation in new world order" under able leadership of Mr. Nayan Vaishnav, Past President, BMA under same theme "Women and wealth generation in new world order Unchanged new paradigm" on 6th March 2021. An Absolute, Dream Project !

I am thankful all our esteem sponsors for their continued support and believing in us in spite of business challenges. Wishing a great success to this institution of repute and it's all the valuable stakeholders for the years to come

Thank You, ALL !

Ms. Minaxi Vaishnav  
President 2020-21

## Message from incoming President

**Mr. Dipak Shah**  
2021-22

It gives me a great pleasure to take the responsibilities as president of 64 years old & very prestigious organization. As we close out 2019-20 and as 2021-22 begins to dawn, it seems like a great time to reflect on what we've accomplished, the journey we've

taken to get to where we are and the plans we have for an exciting, bright future. I'd like to start by telling you how much I appreciate each member of the BMA team and that I recognize we wouldn't be where we are without the contributions made by each and every one of them for all these years.

We are going to focus more on digital communication and social media marketing. In pandemic time, many of our program were online only. We are going to continue with online program along with offline in future. The BMA studio is going to play a very vital role in shaping the future of management professional.

We are determined to give more benefits to our life members and patron members. All those corporate who has helped BMA in past will definitely get a place in our monthly magazine by word of appreciation. We have designed many new innovative programs this year which will attract the management professionals from various fields to BMA. Please be ready with your professional achievements to win the race...

I am open to receive the suggestions, ideas for the better performance of BMA.

Thank You, ALL !

Mr. Dipak Shah  
President 2021-22

## World Environment Day | Theme: Ecosystem Restoration

**Date : June 5<sup>th</sup> 2021**

The United Nations designated June 5<sup>th</sup> to be observed as World Environment Day after a call for saving the environment from possible damage due to industrialization drew attention. The purpose of World Environment Day is to spread awareness about the threat to the environment due to rising pollution levels and climate change. The first World Environment Day was observed in 1974, giving a global platform for inspiring positive change in the environment.

On this day, governments, NGOs and citizens put their efforts to spread awareness above the importance of conserving the environment and negate the impact of human activity on the environment. Ecosystem restoration means undoing the damages caused to the environment by humans to save Earth

In 1987, the UN decided to rotate the host country for the celebrations of this day. Pakistan will act as the global host of the day in 2021 in collaboration with the UN Environment Programme (UNEP).

REIMAGINE. RECREATE. RESTORE.

Baroda Management Association has also decided to celebrate World Environment Day virtually on 5<sup>th</sup> June from 11 hrs to 13:30 hrs. The MOC of event was Ms. Shivangi Yadav, Executive Management Trainee of BMA secretariat who started event by giving the introduction of President of BMA, Ms. Minaxi Vaishnav. The President extended a heartily welcome to all the participants and speakers and gave the importance of celebrating World Environment Day.

We have series of speakers lined up for celebrating World Environment day virtually **Mr. Deepak Ramchandani**, Chief Engineer, Gujarat Water Supply & Sewerage Board & Chief Engineer Water & Sanitary Mission Organization, talked mainly on “Management of Water Resources” and how law of nature plays a huge role in spoiling the environment. He gave an example of law of nature where a river in kutchh due to earthquake settled in dam without any human effort.

**Dr. Subroto Das**, Managing Trustee & CEO, Lifeline Foundation Vadodara, talked about “Bio Medical Waste Management in Covid Times” for which they are working with other companies. He talked how he and his wife started a helpline number for accident on national highways, initially without any government support or financial support. Before they got the Government support, they have already rescued more than 20,000 victims.

Chairman of the event Mr. Dipak Shah welcomed **Ms. Shalini Agrawal IAS**, Collector, Vadodara . She started her speech by quoting Mahatma Gandhi that "We don't inherit water from our ancestor, infact we loan it from our ancestors and it is our duty to pass it on to future generation". She talked about how surface water and underground water are the major source of water and still some part of Vadodara having underground water source only. She explained

the importance of reuse and recycle of water. She narrated story of successfully cleaned many village making free from cholera by installing Rain water Harvesting Project in number of villages.

**Mr. Samir Tuli** Chairman, Paramount Limited Vadodara, talked about different technologies are used for pollution control. He talked about primary and secondary treatment carried out on different type of pollutant.

## International Yoga Day

21<sup>st</sup> June 2021

The Day will be marked at a time when COVID-19 pandemic continues to upend lives and livelihoods of people globally.

Beyond its immediate impact on physical health, the COVID-19 pandemic has also exacerbated psychological suffering and mental health problems, including depression and anxiety, as pandemic-related restrictions continue in various forms in many countries. This has highlighted the urgent need to address the mental health dimension of the pandemic, in addition to the physical health aspects.

The message of Yoga in promoting both the physical and mental well-being of humanity has never been more relevant. A growing trend of people around the world embracing Yoga to stay healthy and rejuvenated and to fight social isolation and depression has been witnessed during the pandemic. Yoga is also playing a significant role in the psycho-social care and rehabilitation of COVID-19 patients in quarantine and isolation. It is particularly helpful in allaying their fears and anxiety.

Recognizing this important role of Yoga, this year's commemoration of the International Day of Yoga focuses on "Yoga for well-being" - how the practice of Yoga can promote the holistic health of every individual. We have also celebrated International Yoga Day virtually 18:00 hrs to 20:00 hrs on 21<sup>th</sup> June, 2021.

The MOC, Ms. Shivani Mathur, started the event by a quote from Bhagwad Gita that "Yoga is the journey of the self, through the self, to the self." Then she invited Mr. Dipak Shah, President of BMA to formally welcome our speakers. He started by saying Yoga is not religion it is Science continuing with the brief introduction about Dr. Om Prakash Juneja who has taken guidance under Shri Ramdevji.

Dr. Om Prakash Juneja started his speech by thanking BMA and explaining Yoga for Managers and helpful for the management. He says managing quality is inbuilt, it is easy to manage the outer world but there exists a world inside your body which is difficult to manage. He gave information about 5 sheets of human consciousness which are An-me-kosh, Praan-me-kosh, Mann-o-me-kosh, Vigyaan-me-kosh, Anand-me-kosh. He thoroughly explained about inner and outer world which exist and how yoga helps in attaining inner peace.

He also explained the importance of being conscious to which he added "you are not just your own body you are more than that" which can be done by praan, and shared an experience about how his back bone problem was solved by yoga which he learned in Yog niketan. He also shared an experience of curing Covid with the help of pranayam and even after getting infected by Covid he continued taking his classes due to energy from doing Yoga and concluded by thanking everybody for allowing him to share his experiences.

**Mr. Kirti Trivedi** gave his session on Yoga and Jadibuti. He shared his knowledge at the event then he continued by explaining the interconnection between Ayurved and yoga. He explained the importance of giloy during this pandemic, and helpful in curing corona and increasing hemoglobin in blood. He said giloy is so important that it will soon be declared as Raashtriya Vanaspati. He said how they have been successful in distributing giloy to 1000s of people at home during this pandemic. Giloy was also used during Chicken Gunia and Swine Flu break out.

He also mentioned about Sheeshpalji distributing Giloy all over Gujarat. He also talked about jadibuti sheesham and its benefits for women. He concluded by showing Ashwagandha and its benefits like it helps in weight loss.

Vice president Mr. Nimil Baxi of BMA asked questions about the most important jadibuti “Tulsi” and he explained it so nicely and gave answers of all questions. He also told to participants about different types of “Tulsi” that is “Shyam” and “Ram” and shyam type of Tulsi is more beneficial.

**Ms. Poonam Bubber** talked about Heartfulness meditation and share her experience with us. She carried out practical meditation for all the participants and then explain about benefits of meditation. Meditation helps us to live our life every moment not just while we are doing it. She explained the different stages of Heartfulness mediation. The first one is relaxation; she explained that how everybody is looking for containment, kindness, peace, calmness this all resides in

our heart and how yoga helps in bringing all of that out. Then she also mentioned that our heart gains positivity because of meditation. She concluded by saying meditation gives balance to your life and also advised everybody should practice meditation everybody Lastly **Mr. Gaurang Pathak** from Heartfulness Foundation gave information about their headquarters and all the facilities available over there.

**Mr. Vinod Sharma** started by greeting President of BMA, all committee members and everybody present in the virtual sessions. He talked about stress faced by each one in day to day life and how we can manage that. Each and everybody in this world has some stress due to number of reasons. However, he also mentioned that stress is somehow beneficial for everybody otherwise there will be no importance of happiness. He shared story about one of his student that how yoga helped to

come out depression. He added that yoga gives instant result and gave solution for stress release instantly by Anulom Vilom pranayam. He concluded by showing several acupressure points all over body for stress release.

The President and Vice President of BMA concluded the whole session by thanking all the speakers for their motivational and knowledgeable sessions which will be helpful to all the participants for being healthy and happy in life.

## Editorial

Friends and Colleagues,

After a long time you are receiving this issue due to the second wave of COVID-19 pandemic. The scheduled activities of BMA impacted but our spirit remains high even planning and efforts went to waste due to the second wave of COVID-19. As you all are aware that the last few months have been very difficult and challenging for all. As the effect of pandemic reduces we tried to bring back all our regular activities as per routine. Many programs which were previously planned have to be executed virtually. One program Friday Evening Talks (FET) held online without any break.

The Annual General Meeting and 63<sup>rd</sup> Foundation Day program were held virtually and a new Office Bearer (OB) was declared. This is the first issue by new OBs of 2021-2022. New OBs has planned to publish Samanvaya Digitally to save paper (ultimately saving our environment) and give you a better experience with reduced cost. This is the first Samanvaya having all the active links of all the event's videos. In real sense Digital...There are icons having active links that are kept for all social media and other Digital ways of communication with secretariat.

The virtual celebration of World Environment day and International Yoga day are the major events with Annual Day celebration.

Now onwards, you are going to get Samanvaya every month regularly which includes some new information.

STAY SAFE and STAY HEALTHY...
